#### **PROFILE**

I'm a high school student looking to story-tell my way into inspiring our community. Through debate arguments, poems, songs, written stories, and journalistic pieces— I want to make a difference one story at a time. One person at a time.

A few classmates and I have since created the Bay Area Debate Institute, a debate program geared towards equalizing debate by offering free courses on public speaking, research skills, and critical thinking skills. We have since taught over 100 students.

#### **EXPERIENCE**

#### INTERN AT BAY CITY NEWS AND LOCAL NEWS MATTERS

I have interned with Bay City News and their non-profit Local News Matters. There I worked with another student to expand the companies' social media presence and engage more members of the community in local news.

#### REPORTER AND COPY EDITOR FOR THE HAWK'S EYE

I have written, edited, and reported for The Hawk's Eye, the Head-Royce School newspaper, for two years. I have interviewed over 20 people and written more than double that in pages. I have reported on stories ranging from an intense school shooter drill to living in a bubble of privilege to the science of love. My most recent work has been publishing an extensive "exposé" of racism allegations at the school in concordance with the Expository Writing team and other students and faculty.

#### YR MEDIA IN OAKLAND

I have interned at YR Media and worked in restorative justice there. Talking with kids who were in contact with law enforcement or had traumatic experiences, and learning how to navigate graphic design, photography, and journalism.

#### **EDUCATION**

THE HEAD-ROYCE SCHOOL, OAKLAND, CA — CLASS OF 2022

- Completed the Kumon Math Program
- Completed the Kumon Reading Program
