3. The Permittee does hereby disclaim any right, title, or interest in or to any portion of the public right-of-way, including the sidewalk and street, and agree that the use and occupancy by the Permittee of the public right-of-way is temporary and does not constitute an abandonment, whether expressed or implied, by the City of Oakland of any of its rights associated with the statutory and customary purpose and use of and operations in the public right-of-way.
4. The Permittee agrees to indemnify and save harmless the City of Oakland, its officers, agents, employees, and volunteers, and each of them, from any suits, claims, or actions brought by any person or persons, corporations, or other entities on account of (a) any bodily injury, disease, or illness, including death, damage to property, real or personal, or damages of any nature, however caused, and regardless of responsibility for negligence, arising in any manner out of the construction or installation of a private improvement itself or resulting from the Permittee's failure to maintain, repair, remove and/or reconstruct the private improvement, or (b) any title, ownership or authority issues arising from the existence of the Encroachments in the public right of way.
