EXECUTIVE SUMMARY

Staff recommends the adoption of the proposed Resolution (**Option 1**), which will authorize the levy of special assessments for delinquent trash fees, charges, and recording of said special assessments to the Alameda County Tax Collector and Auditor Controller **for inclusion on the next property tax roll, August 10, 2022**. The special assessments are made pursuant to the Mixed Materials & Organics Collection Services Contract (the "Contract") executed on July 15, 2015, between the City of Oakland (the "City") and Waste Management. All fees, charges, and

due dates are detailed on customer invoices and delinquency notices. The action before the City Council pertains only to delinquent Waste Management accounts and does not include California Waste Solutions, Inc. ("CWS") Push Rate charges. CWS Push Rate charges are billed on a separate account as an ancillary charge and are not part of the normal Waste Management billing that is subject to the special assessment. **Delinquent account holders have until July 31, 2022, to pay or resolve an outstanding bill prior to the assessment being rolled to the County for inclusion on the property tax roll.**

BACKGROUND / LEGISLATIVE HISTORY

Prior to July 1, 2015, the City purchased delinquent accounts receivable from Waste Management for trash collection services provided to residential properties. The City, as owner of the delinquent accounts, collected the delinquent trash fees and charges by placing liens against subject properties. The lien process is a mechanism to secure the debt owed to the City and avoid interruption of trash collection services to residential properties.

The process was changed under the new Waste Management contract; pursuant to the Contract, the City no longer purchases delinquent accounts from Waste Management, nor does it place liens on subject properties. Instead, the City now places a special assessment levy on the annual property tax bill of the subject property, as a method to secure the City's Mandatory Trash Administrative Fee as allowed under the Oakland Municipal Code ("O.M.C.") Section 8.28.250 and Waste Management's delinquent trash collection service invoices. Administration of this program is not supported by the General Purpose Fund. The Administration Fees are deposited into the City's Mandatory Trash Fund (Fund 1700), are wholly cost covering, and are dedicated to administration of the special assessment program.

Significant noticing dates of the Waste Management agreement are as follows:

Dates	Noticing Action
Day 1	Waste Management sends initial invoice to customer.
Day 45	Waste Management sends delinquency notice to customer and may apply late fees.
Day 61	Waste Management sends final delinquency notice to customer with a past due balance notifying them of the termination of service on 90 th day if account is not paid in full.
Day 91	The City subscribes on customer's behalf for the abatement of the trash nuisance and imposes an administrative fee.
Day 100	The City sends a Special Assessment Notice to the subject property owner informing them of the City's subscription on their behalf and notice of Administrative and Council Hearing. A list of subject properties is provided to the City Clerk for public viewing.

In accordance with the Contract, Waste Management provides the City with a record of accounts for which Waste Management will terminate service for non-payment. The record

includes assessor's parcel number, service address, and the delinquent amount. Pursuant to O.M.C. Section 8.28.220, following an Administrative Hearing, a report of the proposed special assessments is submitted to the City Council. Both a paper and an electronic copy of the delinquent accounts are furnished to the City Clerk for public viewing following each administrative hearing.

ANALYSIS AND POLICY ALTERNATIVES

Waste Management notified the City of delinquent accounts for four (4) periods: April 2021, May 2021, June 2021, (monthly), July through September 2021 (quarterly).

On May 15, 2021, Waste Management sent quarterly customers a delinquency notice advising them of their unpaid invoices and potential late fees for the quarterly period of April through June. For monthly customers, the delinquency notice was sent on the last day of the monthly billing cycle. On June 1, 2021, Waste Management sent a final delinquency notice to subject property owners advising them of termination of garbage service on the 90th day if no payment was received, and subsequent subscription of garbage service by the City of their delinquent accounts. On July 20, 2021, the City sent a Special Assessment Notice to subject property owners advising them of the City's subscription to their delinquent accounts.

Pursuant to Chapter 8.28.210 of the O.M.C. and the Contract, the City held an administrative hearing, and each affected property owner was notified of the administrative hearing. The administrative hearing was held on August 3, 2021, to hear protests and resolve any inconsistencies or inequities regarding the delinquent mandatory trash fees prior to the public hearing before the City Council.

Due to the Alameda County Shelter in Place Order issued on March 16, 2020, the City of Oakland mailed to the affected property owners an Administrative Hearing Questionnaire that allowed for written protest of and to resolve any inconsistencies and inequities regarding the delinquent mandatory trash fees prior to the public hearing before the City Council. An administrative hearing was conducted via Zoom on August 3, 2021, for all affected property owners who submitted a questionnaire or requested a hearing via telephone. **Attachment A** provides a listing of all properties subject to the special assessment levy by the County Assessor.

Of the original list of 4,079 delinquencies, 17 property owners requested and received an Administrative Hearing, and 102 cases were resolved and removed from the delinquency list. Results of the Administrative Hearings are mailed to the property owner, which includes notification of the outcome of the Administrative Hearing and the date and time of the City Council Public Hearing. A resolution has been prepared confirming and authorizing the special assessment levy for all fees and charges should they remain unpaid at the time of submission or transfer or recording to or by the County Assessor. These delinquent accounts do not include the CWS Push Rate charges. The list of delinquent accounts subject to the special assessment levy has been filed with the City Clerk in both paper and electronic format. Delinquent account holders have until July 31, 2022, to pay or resolve an outstanding bill prior to the assessment being rolled to the County for inclusion on the property tax roll.

The special assessment process ensures that residential and commercial garbage is picked up, whether the garbage bill is paid to Waste Management or not and ensures that the City of Oakland is in alignment with one of City Council goals of Holistic community safety.

FISCAL IMPACT

Administration of this program is not supported by the General Purpose Fund. The Administration Fees are deposited into the City's Mandatory Trash Fund (Fund 1700), are wholly cost covering, and are dedicated to administration of the special assessment program. If the City fails to collect or recover its cost covering Administration Fees, the City's Mandatory Trash Fund (1700) may lose a total of \$469,354.75.

PUBLIC OUTREACH / INTEREST

Property owners were notified and an Administrative Hearing for delinquent mandatory trash bills was held on August 3, 2021, to hear protests and resolve any inconsistencies or inequities raised by property owners regarding the non-payment of delinquent trash charges. Property owners who did not want to appear in person at the Administrative Hearing were afforded the opportunity to complete an Administrative Hearing Questionnaire to protest the delinquency and resolve any inconsistencies or inequities by August 3, 2021, however the receipt of the questionnaire was not mandatory to move forward in the appeal process. As a result of the administrative review process, 102 cases (2.5% of delinquent accounts) were resolved and removed from the list.

The public hearing is considered the time at which the City Council formally opens the public hearing and ends when the City Council formally closes the public hearing. At the public hearing the Council will hear the City Administrator's reports on delinquent trash service fees and proposed assessments, along with any objections or protests which may be raised by any of the property owners or other interested persons regarding the delinquent charges for trash services rendered.

COORDINATION

In coordination with the Revenue Management Bureau, Budget Bureau, and the City Attorney's office, the agenda report, resolutions, and supporting documents have been reviewed and/or approved for fiscal and legal implications.

SUSTAINABLE OPPORTUNITIES

Economic: The collection of delinquent trash charges has no economic impact.

Environmental: There are no environmental opportunities resulting from the recordation of special assessments.

Race & Equity: Collection of delinquent trash charges has a significant race or equity implication. Illegal dumping and excess litter have historically impacted underfunded and

³ The number of delinquent invoices has trended downward in all Council districts.

marginalized communities. Collection of the delinquent trash charges helps to ensure that the trash is collected throughout Oakland no matter the racial or economic makeup of the residents. Neither the City nor Waste Management collect demographic information property owners.

ACTION REQUESTED OF THE CITY COUNCIL
