2003 JUL - 2 PM 5: 04
To: City Manager's Office
Attn: Robert C. Bobb, City Manager
From: Budget Office
Date: July 15, 2003
Subject: Ordinance Amending Ordinance Number 12504 C.M.S. (Master Fee Schedule), as Amended, to Establish, Modify, and Delete Fees Assessed by Selected Offices, Departments, and Agencies of the City of Oakland

Summary

The attached ordinance amends Ordinance Number 12504 C.M.S. (Master Fee Schedule-WS), to establish, modify and delete fees assessed by the Office of the City Clerk, Police Services Agency, and the Public Works Agency. Changes to fees are required to offset increases in costs related to the provision of services for which fees are charged. A public hearing has been scheduled to review the proposed fee changes. The meeting will take place at the time of the first

reading of the proposed ordinance by the Council, on July 15, 2003.

Fiscal Impact

The revenue increases from the proposed changes in fees are estimated at \$107,700 (including \$2,700 within the General Purpose Fund), and will offset increases in costs to provide services for which the increased fees are charged, with no net -gain. Both revenue and cost increases have already been included in the FY 2003-05 Budget.

Discussion

The following modifications are proposed to the Master Fee Schedule:

1. City Clerk

The Office of the City Clerk is proposing deletions and new fees for City Council agenda and related documents. The Office anticipates an increase in revenues of approximately \$700 for the General Purpose Fund (fund 1010), which has been included in the FY 2003-05 Budget.

i. The following items would be deleted: Codified Oakland City Charter (Supplemental Update Package); Duplication of any documents (routinely produced in multiple copies), 20 pages or less (no charge); Duplication of any documents (not routinely produced), \$0.05 per page; Election History Book,

Booklet and Updates@ Oakland City Council Agenda Packet, Non-subscriber (Supplemental and two week), 20 or fewer pages (No Charge), and \$0.01 per page.

fi. The following fees are added or changed: Duplication of any documents (routinely produced), \$0.05 per page (single sided), and \$0.10 per page (double sided); Filing Fees, Non@nation papers, strike \$50.00 and 11.2.02; Oakland City

Council Agenda Packet, Non-subscriber (Supplemental and Two-week), \$0.05 per single sided page and \$0.10 per double sided; Oakland City Council Agenda

I Item: @qb

Packet, Subscriber-subscription with attachments and directory of boards and commissions for Oakland based non-profits (\$400 per year).

2. Police Services

The Police Services Agency is proposing a new fee for production of an Orthographic Map. The map would provide an aerial photographic view of the area. The estimated increase in revenues of \$2,000 has been included in the FY 2003-05 Budget under the General Purpose Fund (fund 1010), and will offset increases in costs to provide the

specified services, with no net gain.

3. Public Works

The Public Works Agency is proposing changes to units of measurements for various parking-related items. The result is an increase in parking costs charged at the Franklin Parking Plaza and Pacific Renaissance Plaza garages. These increases make the parking rates consistent across all high demand parking facilities in the City. The Agency is estimating a net increase in revenues of \$105,000, which has already been included in the FY 2003-05 Budget under the Multipurpose Reserve Fund (fund 1750). The changes are as follows:

iii. Franklin Parking Plaza: Change unit from "Hourly Parking, First Hour" to "Hourly Parking," delete the fee labeled "Space Per Hour, Over Three Hours" change unit from 11.00 per Hour" to '31.00 per Half Hour."

iv. Pacific Renaissance Plaza Garage: change unit from "Hourly Parking-, First Hour" to "Hourly Parking"; and, from '31.00 per Hour" to '31.00 per Half Hour."

V. Monicclair Parking Garage: change unit from "Per Sticker" to "Space/Hout"

Recommendation

It is recommended that the City Council accept this report and adopt the proposed ordinance amending the Master Fee Schedule as reflected in Exhibit A. The amended fees will become effective immediately following the City Council adoption. A public hearing has been scheduled to review the proposed fee changes. The meeting will take place at the time of the first reading of the proposed ordinance by the Council, on July 15, 2003.
