Subject: Orrick, Herrington & Sutcliffe, LLP - Conflict of Interest

From: Office of the City Attorney

Recommendation: Approve the Recommendation authorizing a request for waiver of potential conflict of interest of Orrick, Herrington & Sutcliffe, LLP in connection with the firm's representation of the California Infrastructure and Development Bank; the waiver is requested because the firm has and continues to serve as City's Bond Counsel, also represents the bank, and the City is applying for a loan from the bank for the Seventeenth Street parking garage project
