Legislation Text

File #: 20-0873, **Version:** 1

Subject: Urging State Legislature To Decriminalize Entheogenic Plants And Fungi

From: Councilmember Gallo

Recommendation: **Adopt A Resolution Urging The State Legislature To Immediately Decriminalize The Possession And Use Of Entheogenic Plants And Fungi, To Recognize And Protect The Right Of A Local Jurisdiction To Allow Its Citizens To Engage In Community-Based Healing Ceremony Involving The Use Of Entheogenic Plants And Fungi When Practiced In Accordance With Safe Practice Guidelines And Principles, And By Including Protections For The Oakland Community Healing Initiative (OCHI) Ordinance In Any State Legislation Related To Decriminalization Or Legalization Of Psychedelics Or Entheogenic Plants And Fungi And Directing The City Administrator To Prepare An Ordinance Creating A Pilot Program For Oakland Residents To Administer And/Or Use Entheogenic Plants And Fungi In Compliance With Safe Practice Guidelines And Principles And Legislative Requirements For Council Consideration If The Legislature Decriminalizes Administration And Use; On The December 15, 2020 Special City Council Agenda On Non-Consent**
