RE: Clarifying authorized 'designees' under Affordable Housing and Sustainable Communities (AHSC) grants

To Whom It May Concern:

This letter confirms that the following staff are considered "designees" authorized to submit draw requests, conduct business, and execute other actions (including Program Award Documents and amendments) associated with AHSC grants.

City of Oakland Department	Title	Authorized Designee
Transportation (OakDOT)	Director	Yes
Transportation (OakDOT)	Assistant Director	Yes
Transportation (OakDOT)	Funding Program Manager	Yes
Housing & Community Development	Director	Yes
Housing & Community Development	Deputy Director	Yes

I delegate authority to the designated OakDOT and HCD staff listed above to conduct these actions, as outlined in various City resolutions accepting and appropriating AHSC funds.

Sincerely,

Jestin Johnson (Feb 27, 2026 11:45:47 PST)
