6. Method of Payment

Grantee shall be paid for the performance of the Work set forth in **Schedule A** in accordance with the program **Budget, Schedule B**. 7. Prompt Payment

Grantee shall comply with the City's Prompt Payment Ordinance codified in Chapter 2.06 of the Oakland Municipal Code. Under said Ordinance, the City must disburse Grant funds to Grantee within 20 business days after receipt of an undisputed request for payment. An undisputed request for payment is a request for payment that is not a "disputed invoice" within the meaning of the Prompt Payment Ordinance. Under the Ordinance, a "disputed invoice" is an invoice or request for payment that is either (1) improperly executed by Grantee, (2) contains errors, (3) requires additional evidence to determine its validity, and/or (4) contains expenditures or proposed expenditures that are ineligible or that do not otherwise comply with reimbursement or disbursement requirements of the City or another grant funding source. If a request for payment is "disputed", the payment/disbursement shall not be subject to late penalties until the dispute is resolved. In the event a request for payment is disputed, the City shall notify Grantee and the City's Liaison (as defined in the Prompt Payment Ordinance) in writing within five business days of receiving the disputed request for payment that there is a bona fide dispute, in which case the City shall withhold the disputed amount and may withhold the full amount if the funding source for the Grant requires that the disputed expenditures be fully resolved prior to any disbursement of Grant funds. If the funding source for the Grant requires its review and approval before payments are made to Grantee, this period shall be suspended for any period of review by said agency. If any amount due by the City to be disbursed to Grantee pursuant to this Agreement is not timely paid in accordance with the Prompt Payment Ordinance, Grantee is entitled to an interest penalty in the amount of 10% of the improperly withheld amount per year for every month that payment is not made, provided that Grantee agrees to release the City from any and all further claims for interest penalties that may be claimed or collected on the amount due and paid. Grant recipients that receive interest penalties for late payment pursuant to the Prompt Payment Ordinance may not seek further interest penalties on the same late payment in law or equity.

The Prompt Payment Ordinance further requires that, unless specific exemptions apply, Grantee shall pay undisputed invoices of its subcontractors for goods and/or services within 20 business days of submission of invoices unless Grantee notifies the City's Liaison in writing within five business days that there is a bona fide dispute between Grantee and claimant, in which case Grantee may withhold the disputed amount but shall pay the undisputed amount. Disputed payments are subject to investigation by the City's Liaison, and upon the filing of a complaint, the Grantee, if opposing payment, shall provide security in the form of cash, certified check, or bond to cover the disputed amount and penalty during

the investigation. If Grantee fails or refuses to deposit security, the City will withhold an amount sufficient to cover the claim from the next Grant payment. The City, upon a determination that an undisputed invoice or payment is late, will release security deposits or withholds directly to claimants for valid claims. Grantee is not allowed to retain monies from subcontractor payments for goods as project retention and is required to release subcontractor project retention in proportion to the subcontractor services rendered, for which payment is due and undisputed, within five business days of payment. For the purpose of posting on the City's website, Grantee is required to file a notice with the City of release of retention and payment of mobilization fees, within five business days of such payment or release; and Grantee is required to file an affidavit, under penalty of perjury, that he or she has paid all subcontractors, within five business days following receipt of payment from the City. The affidavit shall provide the names and addresses of all subcontractors and the amount paid to each.

8. Evaluation, Monitoring, and Reporting

Grantee shall be monitored and evaluated by the City in terms of its effectiveness and timely compliance with the provisions of this Agreement and the effective and efficient achievement of the Scope of Work. Grantee shall undertake a continuous quantitative and qualitative evaluation of the Scope of Work as specified in this Agreement and shall make written reports on the results of such evaluation to the Project Manager as reasonably requested by the Project Manager.

In addition to the financial requirements described elsewhere in this Agreement, Grantee agrees that authorized representatives of the City may perform fiscal monitoring of Grantee's record-keeping and reporting to assure compliance with this Agreement.

Any funds received as a return of costs or as income generated from activities funded by this Agreement are the property of the City and must be transmitted to the City promptly.

10. Proprietary or Confidential Information of the City

Grantee understands and agrees that, in the performance of the work or services under this Agreement or in contemplation thereof, Grantee may have access to private or confidential information which may be owned or controlled by the City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to the City. Grantee agrees that all information disclosed by the City to Grantee shall be held in confidence and used only in performance of the Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent Grantee would use to protect its own proprietary data.

Within thirty (30) days of completion of the Work to be performed under this Agreement, Grantee shall make a determination of any and all final costs due under this Agreement and shall submit a request for final payment (including without limitations any and all claims relating to or arising from this Agreement) to the City.
