48	Afro-Play Oakland	Afro-Play	Family Resource Centers and Parent Engagement	\$143,150.00	Afro-Play delivers a series of culturally-rooted early childhood and family support programs that strengthens Black families with children ages 0–5 through play-based learning, cultural affirmation, resource navigation, and community-driven care. Each fiscal year, Afro-Play operates two Afrocentric Playgroups hosted at family resource center locations in East Oakland’s Castlemont Corridor and West Oakland’s historic 7th Street Corridor. Situated near major housing developments, public transit, and neighborhood schools, both locations provide highly accessible, community-centered entry points for local families. Across a 34-week program cycle, Afro-Play offers an accessible, drop-in model that supports approximately 120 families annually, with an 80% participant return rate. In 2026, Afro-Play anticipates serving 250 families through expanded playgroup capacity, enhanced resource support, and increased community engagement activities.

49	BANANAS, Incorporated	Healthy Havenscourt Cub House	Family Resource Centers and Parent Engagement	\$500,000.00	The Havenscourt Cub House is located at the Lion Creek Crossings FRC for families of young children in the Havenscourt neighborhood. Their goal is to support children’s social-emotional development and kinder-readiness so they will succeed and thrive in school and life. Services will include family navigation and referrals, parent/caregiver-child playgroups, peer support and social connection for young families, kinder-transition family activities, financial literacy, and residential services. Bananas envisions the Hub supporting 300 children 0 to 5 years old, and 400 caregivers and parents for a total of 700 participants.
50	Dads Evoking Change	Family Wellness and Engagement Program	Family Resource Centers and Parent Engagement	\$71,450.00	DEC will serve 70- 100 families over a one year period. Services will include co-parenting counseling, parenting workshops, family engagement activities, and resource and system navigation support led by Oakland based staff with relevant lived experience. Historically, the average duration of participation has been 6 months, with some parents/caregivers participating for 2-3 years. Delivered at the East Bay Agency for Children’s Family Resource Centers and accessible community sites such as the Oakland Public Libraries, the goal is to provide accessible, culturally responsive support that helps parents/caregivers strengthen family relationships, reduce stress, connect to resources and create nurturing environments where young children can thrive.

51	Destiny Arts Center	Teddy Bear Movement	Family Resource Centers and Parent Engagement	\$50,000.00	Destiny Arts Center's Teddy Bear Movement Program serves ages 2-5 at eight community sites through partnerships with the Unity Council, Oakland Housing Authority, and TRYBE. Through dance, rhythm, storytelling, and early martial arts, children build early literacy, coordination, confidence, and emotional regulation in safe, welcoming environments that honor their identities and lived experiences. Destiny's Early Childhood Movement Arts program helps close these gaps by creating joyful, community-rooted spaces where young children and their caregivers can move, play, and learn together.
52	Family Paths, Inc.	Parent Education Program	Family Resource Centers and Parent Engagement	\$56,448.10	P/OD classes will be provided to caregivers with children 0-5 who are enrolled in Unity Council's childcare centers and who live in priority neighborhoods detailed on the Geographic Equity Layer Map-Basemap, such as Fruitvale, West Oakland, East Oakland and Adams Point. The program structure is ten 2-hour sessions. Programming is delivered in 3 English series and 3 Spanish series using an adult-learning, peer-based model that centers lived experience, cultural strengths, reflection, and action. Classes are delivered on the Zoom platform by an AP/OD-Certified Facilitator. The goals of the

53	Lifelong Medical Care	Project Pride	Family Resource Centers and Parent Engagement	\$99,506.00	LifeLong Medical Care proposes to continue the Children’s Services Program at Project Pride, its residential treatment program. The program will serve a minimum of 20 children and 20 adults annually. It will provide developmental assessments, parenting education groups, parent/child dyad sessions, case management for parenting needs, and field trips/activities for the mothers and children. Length of stay at Project Pride is typically between 4 to 12 months. The goal is to reduce the children's risk for adverse childhood events and strengthen the mother's understanding of healthy development.
54	Lotus Bloom	Culturally Responsive Family Resource Center - Room to Bloom	Family Resource Centers and Parent Engagement	\$312,499.52	The Room to Bloom Family Resource Center’s goal is to create culturally specific and appropriate prevention and early intervention programs to ensure children 0-5 and their caregivers can thrive. The site operates two successful programs: Playgroups and Family Navigation services. Playgroups provide a safe and healthy environment for children and families and embed case management. Family navigation services provide essential resources and referrals. The proposed program will serve 244 children and caregivers, and participants are expected to engage in programs for 2.5 to 3 years duration.

55	Oakland Parents Together	Parent Cafes and Early Learning Workshops	Family Resource Centers and Parent Engagement	\$50,100.00	<p>Oakland Parents Together (OPT) will serve approximately 60 parents and caregivers and 75 children ages 0–5 each year in East and West Oakland neighborhoods designated as “Highest Priority” by the City of Oakland’s Geographic Equity Toolbox, including ZIP codes 94607, 94621, and 94603. Participants are primarily low-income parents and caregivers who face barriers related to poverty, housing instability, language access, immigration status, and exposure to community trauma. OPT will provide virtual Parent Cafes and early learning workshops using a trauma-informed, culturally responsive Family Resource Center model. Services include weekly facilitated group sessions focused on parental resilience, social connections, child development, early literacy, and healthy parent–child relationships. Programs are delivered in English, Spanish, and Arabic and include mental-health professionals. Each participant engages in a 10-week program cycle, with three cycles per year. The program’s goal is to strengthen protective factors for families, reduce parenting stress, increase caregiver confidence and social support, and promote healthy early childhood development and kindergarten readiness for Oakland’s youngest children. .</p>

56	Oakland Parks, Recreation, and Youth Development	Community Adventure Pre-K Playgroups (C.A.P.P.)	Family Resource Centers and Parent Engagement	\$115,000.00	Community Adventure Pre-K Playgroups (CAPP) is a program currently serving 50 families with young children ages 0-5 in the mid-to-highest priority neighborhoods in Oakland. CAPP offers play-based learning and quarterly field trips. The program goals include supporting positive early childhood development, preparing young children for a full-day Pre-K or TK/K classroom environment, providing parents/caregivers with access to local resources, and building community. This program is offered from August-May at Carmen Flores, Rainbow, Ira Jenkins, Willie Keyes and the Brookdale Recreation Centers.
57	Our Family Coalition	Project LIFE (LGBTQ Intersectional Family Enrichment)	Family Resource Centers and Parent Engagement	\$250,000.00	Our Family Coalition (OFC) is a family resource center whose work focuses on the healthy development of children ages 0-5 growing up in Bay Area LGBTQ+ families. OFC provides LGBTQ+ parents/caregivers opportunities for social networking, learning, and leadership through peer-led affinity groups, parent-infant classes, workshops/trainings, and navigation services, which will occur in various community sites across Oakland. The goal is for 200 LGBTQ+ adults with children and 71 children to participate in an average of 2-3 one-time/ongoing activities throughout FY 2025-26.

90	Motivating, Inspiring, Supporting and Serving Sexually Exploited Youth, Inc.	Restoration and Safety for Oakland's Sexually Exploited and Vulnerable Youth	Place-Based Innovations for Youth Safety	\$250,000.00	MISSEY's Strategy 8 program will serve approximately ___ girls and gender-expansive youth ages 12–24 who are impacted by or at high risk of sex trafficking, exploitation, violence, and housing instability. Centered at the STaR Drop-In Center and the Nyoti Restoration & Healing Center in East Oakland, the program provides daily, low-barrier safety and stabilization supports including access to basic needs, weekly hot meals, crisis response, and supportive adults. Youth can participate year-round and engage at their own pace. Services include Transformation Coaching, MISSEY's expanded, intensive model of case management; MISSEY workshops and healing-centered programming; Let's Talk About It, the youth discussion and empowerment series; and group outings that give youth opportunities to explore Oakland, practice life skills, and build community. Youth and families also engage through Meet Me at the Market, MISSEY's bi-monthly community event offering free produce, connection, and resource access. The goal of the program is to increase safety, stability, and belonging for exploited and vulnerable youth by providing consistent, culturally rooted, place-based supports that strengthen protective factors, reduce harm, and create multiple pathways to healing and long-term well-being.

93	Special Service for Groups, Inc.	OTTP-NorCal ACOE Program	Place-Based Innovations for Youth Safety	\$250,000.00	SOG/OTTP-NorCal proposes a partnership with ACOE to strengthen student mental health. Mental health OTs will serve 85 youth (ages 13–20) at three community school sites—Quest, Emerge, and Hobbs—which serve as hubs for services. Many students are expelled, on probation, or parenting, and face housing instability, trauma, and high ACEs. Individualized trauma-informed, activity-based OT provided to youth for 3-12 months build positive self-concept, emotional regulation, vocational, and independent living skills, with additional home and community-based services tailored to their needs and goals.
94	The Mentoring Center	The Mentoring Center's Transformative Youth Violence Prevention Program	Place-Based Innovations for Youth Safety	\$200,000.00	The Mentoring Center offers services for youth across the City of Oakland's continuum of violence prevention/interventions strategies. TMC's program for OFCY has three main components that promote violence prevention: 1) Life Coaching 2) Transformative Mentoring 3) Leadership Development TMC will serve 35 youth annually, on a weekly basis at TMC's offices and in the community. The goals of this program are to: 1) Reduce the likelihood of being impacted by violence 2) Increase school achievement. 3) Reduce recidivism and increase the successful transition from system-involvement.

97	American Indian Child Resource Center	Culture Keepers	Youth Development and Leadership	\$164,515.79	Culture Keepers (CK) is a year-round, culturally based after-school program serving AI/AN youth in grades 6–12. The animating goal of the program is to connect AI/AN youth with their cultures, their peers, and their local AI/AN community. CK operates five days per week for three hours per day including cultural enrichment, academic support, access to cultural and healthy foods. Culture and connection are the two most powerful tools available to promote social-emotional learning, create belonging, and develop community leaders.
98	ARISE High School	Leaders on the Rise Enrichment Lab	Youth Development and Leadership	\$200,003.00	The Leaders on the Rise Enrichment Lab at ARISE High School serves 365 East Oakland youth ages 14–18 through year-round enrichment, restorative practices, and leadership development. Located on ARISE’s Fruitvale campus, the program provides 68–134 hours of arts, wellness, STEM, digital media, and college/career activities. The goal is to build belonging, identity, and youth leadership while strengthening connection to school and community.

99	Asian Health Services	Empowering Asian and Pacific Islander (API) Youth and Southeast Asian (SEA) Young Women through Culturally Tailored Leadership and Development Programming	Youth Development and Leadership	\$200,000.00	AHS' aims to empower, engage, and elevate Asian and Pacific Islander (API) youth and Southeast Asian (SEA) young women to be active leaders in their community. Services will directly train 175 youth leaders, who will further impact an additional 400 youth through peer engagement per year. AHS will primarily serve API youth and SEA young women ages 11-21 residing in high-priority neighborhoods in Oakland. Programs range from 8 weeks to 10 months with youth and meet at least 2-5 hours per week. Programs will be primarily located at the Asian Resource Center in Oakland Chinatown.
100	Aspire Education Project	Community Reading Buddies	Youth Development and Leadership	\$130,000.00	Community Reading Buddies (CRB) is a unique, dual-impact program that trains and supports young adults throughout Oakland to provide one-on-one reading mentorship to elementary students. Mentors meet with their elementary "buddies" at community-based spaces throughout Oakland for one hour twice weekly over the course of ten weeks. Since Aspire's founding in 1994, CRB has served 6,000+ Oakland youth, empowering teens as community leaders while building the literacy skills of young learners. Continued OFCY funding would enable CRB to serve 500 participants annually.

105	Chapter 510 INK	Write, Speak, Heal: Oakland Youth Arts Collaborative	Youth Development and Leadership	\$300,000.00	The Oakland Youth Arts Collaborative (Chapter 510, Divine Radiance, and Youth Speaks) will serve 110 low-income, BIPOC, and LGBTQIA+ youth ages 11-19 in Oakland. Year-round programming at Chapter 510's Writing Center will include teen podcasting; creative writing and publishing for middle school students; intensive creative mentorship and wellness programs; and a writing, poetry and performance program. The goal of this collaboration is to create a dynamic, intergenerational space for Oakland youth to find belonging, mentorship, and creative expression among peers and creative leaders.
106	Communities United for Restorative Youth Justice	Homies 4 Justice	Youth Development and Leadership	\$155,125.00	H4J is an entry-level leadership development program for systems-impacted youth ages 13-18 who are interested in improving their communities. Participants meet weekly to build their leadership skills and are supported to heal from past trauma through healing circles and cultural activities. Their goal is to elevate the voice and power of young people to heal, grow, and thrive. H4J starts every fall and culminates every spring. Because they know that economic needs and stress can lead to dangerous behavior, they offer stipends, incentives, and access to other basic needs to maintain engagement.

107	Community Works West, Inc.	Project WHAT! (We're Here and Talking)	Youth Development and Leadership	\$194,608.00	Project WHAT! is a leadership and advocacy program designed for and led by youth ages 12-21 in Oakland who have or have had an incarcerated parent (CIP) or are otherwise justice-involved. Participants access learning and leadership development in a peer-based setting. Participants raise awareness about issues and policies impacting them, educate and train service providers, law enforcement, and policymakers, and advocate for improved services and policy changes. The program employs the young people as the primary curriculum content developers and facilitators for trainings.
108	Cycles of Change	Ride and Wrench Youth Program	Youth Development and Leadership	\$150,000.00	The program creates a scaffolded year-round youth leadership pathway, "Ride & Wrench," bridging the Bike Clubs (BC) & youth mechanic program at the Bikery, serving 65+ OUSD students yearly. For 27 years, Cycles of Change has supported youth development in East Oakland. BC brings the transformative effects of cycling as affordable transportation, exercise, & connection to nature. Interns gain pride & self-efficacy by applying mechanical skills to assist community members. This series supports youth development through experiential learning, exercise, workforce training, & community service.

115	Fresh Lifelines for Youth, Inc.	FLY Programs for Young Leaders	Youth Development and Leadership	\$124,200.00	FLY will support Oakland youth impacted by the justice system through the Leadership Training Program (LTP) and Youth Leadership Council (YLC). In Year 1, 17 youth will receive 10 months of case management, coaching, peer mentorship, a retreat, and social and community service events. During the civic engagement phase, LTP youth will lead focus groups and contribute ideas to inform the new design for YLC's relaunch in Year 2. This phased approach builds a pipeline of system-impacted youth leaders, providing structured civic engagement and a clear pathway to becoming community changemakers.
116	Friends of Peralta Hacienda Historical Park	Peralta Hacienda Youth Programs	Youth Development and Leadership	\$200,000.00	PHHP Youth Programs serve 605 low-income BIPOC youth year-round through science, arts, culture, history, and community-building. Students flourish through programs, experiential field trips, job-readiness training, video production and media internships, and youth leadership roles that strengthen academic skills, cultural pride, and environmental stewardship. Oakland youth participate in staff-led outdoor education activities at Peralta Hacienda that immerse them in the East Bay's diverse cultures, environments, and histories through hands-on, experiential arts, crafts and nature.

117	Frontline Catalysts	Climate Justice Youth Leadership Development	Youth Development and Leadership	\$148,637.00	Climate Justice Youth Leadership Development (CJYLD) serves about 120 youth ages 11-20 each year at most low resourced schools in OUSD through school-day and project-based sessions. Youth build leadership, environmental and climate resilience knowledge, media and storytelling skills, and civic engagement experience. They examine root causes of inequities, reflect and heal from community stressors, conduct community science, and create art and action projects. The goal is to prepare youth to organize for justice solutions that strengthen school and neighborhood resilience.
118	Girls Incorporated of Alameda County	GIAC Downtown Oakland Middle & High School Programs	Youth Development and Leadership	\$100,000.00	GIAC programming serves over 364 6th –12th youth free of charge. They offer mentorship from trained professionals in supportive, pro-girl environments. Participants gain the confidence to set and achieve ambitious goals, overcome challenges, resist peer pressure, see higher education as an attainable path, and explore nontraditional careers, including those in STEAM. School year programming is offered 1 – 4 days a week for 90 minutes and 4-weeks 7 hours a day in summer. Programming primarily takes place in the downtown Oakland office, OUSD schools and Cal State East Bay in the summer.

133	Spanish Speaking Unity Council of Alameda County, Inc. dba The Unity Council	Latino Men & Boys	Youth Development and Leadership	\$225,000.00	Latino Men & Boys is a year-round, culturally-rooted youth development and mentoring program operating at five OUSD middle schools. They strengthen the socio-emotional wellness and empowerment of 85 youth (ages 11-15) annually while preparing them to succeed in school. Youth Achievement Specialists provide trauma-informed individual and group interventions, education, and resources to create healthy relationships and resilience. LMB improves attendance rates, grades, and student engagement. It is the only public-private partnership specifically serving Latino boys in Oakland public schools.
134	Summer Search	Summer Search's Youth Development and Leadership Program for Oakland Youth	Youth Development and Leadership	\$200,000.00	Summer Search offers year-round enrichment, safe spaces, and culturally responsive programming to 75 high school students ages 15-18 from low-income communities in Oakland. Programming includes: 1) professional 1:1 and group mentoring with peers on-site at four Oakland high schools to support youth in developing agency, positive self-identity, sense of belonging, critical consciousness, and socio-emotional learning, and 2) outdoor and service-learning summer programs that offer opportunities for joy, improved physical fitness, increased confidence, and leadership development.

135	Youth ALIVE	Teens on Target	Youth Development and Leadership	\$225,000.00	Teens on Target will serve 140 high school youth leaders at three OUSD high schools and engage 80-100 middle school students annually through violence prevention workshops, leadership training, 1:1 mentoring, and community engagement. Youth will also participate in 70+ workshops, 1,900+ mentoring hours, and 40+ community events each year. TNT equips young people with skills to prevent violence and strengthen safety in their schools and neighborhoods.
136	YouthBeat	YouthBeat Media Arts Training and Leadership Development	Youth Development and Leadership	\$190,000.00	YouthBeat's Media Arts Training and Leadership Development program will serve 355+ Oakland youth through creative, culturally responsive media programs that build leadership, identity, and digital well-being. High-dosage media arts training, middle-school media literacy residencies, and school-based Media Ambassador cohorts offer safe, affirming spaces where youth strengthen their confidence, community, and future orientation while gaining valuable skills that support success in college and career.
