**RE:** Appointment of New Members to the Commission on Aging

The Mayor's Office respectfully requests City Council consideration for the appointment of six members to the Commission on Aging. The appointments would fulfill all the vacancies on the commission.

The Commission on Aging plays a vital role in advising the city on accessibility policies, programs, and initiatives that ensure our community remains inclusive and welcoming to all residents. These appointments will restore the commission's capacity to address important accessibility matters and community needs.

Proposed Actions:

- Appoint six new members to fill all vacant positions

Next Steps: The Mayor's Office will present candidate recommendations at the next Council meeting. All proposed appointees meet the qualifications outlined in the municipal code and bring valuable experience and perspectives to the commission's work.

We greatly appreciate any support you can provide in expediting this process and welcome the Council's prompt consideration of these appointments.
